## Skiing/Snowboarding Lessons

We recommend lessons with **Sno Academie** in La Clusaz. They are a private ski school and offer small group lessons or private lessons... however these must be **booked several months in advance** as they are extremely good buys and book up very early!

If you complete this form Lisa will endeavour to reserve your lessons and if necessary make up similar ability groups from the guests staying in the chalet. The meeting place for your lesson and your instructor's name will be confirmed on the evening of your arrival at Chalet Panoramic.

Private lessons are for two hours, starting at 0900, 11.00 and 1400. The cost for 1 or 2 people €94 in high season and €78 in low season....for each additional person add €10.

We recommend private **lessons are booked at 11am on the Sunday of your holiday** so that you are not rushed on the first day and then 9am for the rest of the week if you wish...

In high season group lessons for children are at 11.00/11.15 –13.00/13.15 and cost €165 for 5 x 2 hours or 13.30 – 16.30 and cost €185 for 6 x 3 hours from Sunday to Friday.

Adult beginner lessons (max. 5) are available for three days from Sunday at 11am - €118
